Sir

Subject - Laying submain and street sewers in Sreerampuram

Adverting to G O No L 7368-72/41 81-43-7 dated 19th January 1944 sanctioning the acceptance of the tender of Mr A R Doraiswamy Iyengar for the above work, I have the honour to state that the following note had been added by the contractor in the tender "Note progress of work depends upon the availability of pipes and specials and present rate of cement Any subsequent increase in pipes and cement must be paid for"

The contractor has represented for the difference in the tendered rate and the present Stores Purchase Committee rates of pipes and special The rate is increased by Rs 10/-

The Special Officer states in his letter of 19th June 1944 that about 90 tons of cement would be required for the work and the excess cost would be (Rs 73-8-0 - 63-8-0) = 10 x 90 i.e. Rs 900/-

I request you to be so good as to obtain and convey approval of Government to the payment of this difference between the rate tendered for and subsequent increased rate by Stores Purchase Committee for the above work

Copies of letter No 347 dated 17th May 1944 and No 369 dated 19th June 1944 of the Special Officer are enclosed for the information of Government

I have the honour to be,
Your most obedient servant,

Director of Public Health

DJN

Copy of the letter No 369 dated 19th June 1944, from the Special Officer, Bangalore City Drainage Division, Bangalore, to the Director of Public Health in Mysore, Bangalore

---

Subject - Laying submain and street sewers in Sreeramapuram

With reference to your letter No C 81-1564 dated 10th June 1944 on the above subject, I have the honour to state as follows

1) Roughly about 90 tons of cement would be required for the work and the excess cost could be (Rs 73 8 0 - 63 8 0 = Rs 10 x 90) Rs 900/- at the present rate of Rs 73-8-0 per ton of cement It has to be mentioned that if the rate of cement is further raised, the cost will increased proportionately

2) The contractor was not intimated that the increased of rates in pipes and cement would or would not be paid when he signed the mutchulka for his original tenier for Rs 72,418/- with a note as detailed in this office No 343 dated 17th May 1944 recorded on it has been accepted by Government in the Order No L 7368/ 72/41 81-43-7 dated 19th January 1944

for Director of Public Health

No 347 dated 17-5-1944, from the Spec
Division, Bangalore, to the Director
of Sra, Bangalore

Subject - Laying submain and street sewers in Sreeramapuram.

Adverting to G O No L 7368-72/M1 81-43-7 dated 19th January . accepting the tender of Mr A R Doreswamy Iyengar for the above wo I have the honour to state that the contractor has noted as follows in his original tender for the above work - "Note - Progress of w depends upon the availability of pipes and specials The above rat are based on the present S P C rates as p r their local Indent 7427 of pipes and specials and present rate of cemtn Any subsequent increase in pipes and cement for the work at the increased rates is now claimin, higher rates as per the clause noted in his tender this is a very reasonable claim and has to be considered

Under the circumstances, I recommend the payment of the differe in cost for cement for the quantity obtained at Rs 73-8-0 per ton Re gular cement account will be maintained in this office and the extra rate will be paid only for the quantities obtained after the rate wa ennanced If the cost of cement is reduced at a later date to Rs 63- no enhancement in rate will be granted and if the cost goes below Rs 63-8-0 per ton which was the rate prevailin, at the time of submit the tender propotionate reduction will be made in his bills for ceme

Early ap roval for the payment of the increased rate of cement m kindly be conveyed

A copy of th contractor's letter dated 14 4 44 is enclosed for information

Le er dated 14th April 1944 from Mr A R Doreswamy Iyengar, Contractor, Bangalore, to the Special Officer, City Drainage Division, Bangalore,

---

Laying submain and street sewers in Sreeramapuram

I beg to state that as per recent circular issued by the Sales Manager, The Mysore Iron and Steel Works, Bhadravathi, the rate of cement has been increased by Rs 10/- per ton and I have received one wagon of 12 tons for the above work The bill is enclosed for your kind information

I therefore request you to kindly pay the increased rate for the 12 tons of cement received and for subsequent supplies as per condition of the agreement
